#### B. Substantial Functional Disability

. Substantial Functional Disability
1. Does the individual meet ALL THREE of the following?
The individual is less than 65 years old; and
<ul> <li>The individual is a recipient of Supplemental Security Income (SSI) or Social Security Disability Insurance (SSDI) due to mental illnes (excluding neurocognitive, substance use, and neurodevelopmental disorders); and</li> </ul>
<ul> <li>During the year preceding the date of this report, the individual received one or more services from a provider licensed by the New York State Office of Mental Health (OMH) under Article 31 of the Mental Hygiene Law.</li> </ul>
Yes No Unknown
2. Does the individual meet BOTH of the following?
The individual is NOT a recipient of SSI; and
<ul> <li>During the year preceding the date of this report, the individual received three or more months of Health Home services,</li> <li>Assertive Community Treatment (ACT) services, or Personalized Recovery Oriented Services (PROS) services.</li> </ul>
Yes No Unknown
3. Does the individual meet EITHER of the following?
During the three years preceding the date of this report, the individual had three or more psychiatric inpatient admissions; or
<ul> <li>During the three years preceding the date of this report, the individual had more than 30 days of psychiatric inpatient services (regardless of number of hospitalizations).</li> </ul>
Yes No Unknown
4. During the year preceding the date of this report, was the individual discharged from an OMH Psychiatric Center after an inpatient stay that lasted 60 days or more?
Yes No Unknown
5. At any point during the five years preceding the date of this report, did the individual have a current or expired Assisted Outpatient Treatment (AOT) order?
Yes No Unknown
6. During the five years preceding the date of this report, was the individual discharged from a correctional facility with a history of inpatient or outpatient behavioral health treatment?
Yes No Unknown
7. At any point during the three years preceding this report, was the individual a resident in OMH-funded housing for persons with mental illness?
Yes No Unknown
8. a. If you checked "Yes" to Question # 1, 2, 3, 4, 5, 6 or 7, then the individual should be considered to have a substantial functional disability as a result of mental illness (check "Yes" below), unless there is some information obtained from your face-to-face examination or your review of records that indicates the individual currently does not have a substantial functional disability (check "No" below).
Yes No
If you have checked no, explain the basis of your finding.
